COMPANY DESCRIPTION

The Design Partners team know every space is different so we approach every project with an open mind, a clean sheet of paper and genuine enthusiasm! Regardless of our client's budget or vision, we create an environment that reflects who they are and enhances the way they live, work or play. Our current focus is in the residential space from bespoke high end individual dwelling through to terrace, apartments and social housing. We also have apartment buildings and educational projects in our current portfolio. We believe regardless of the value all spaces should be beautiful, emotive, humanistic and sustainable. We have huge growth plans so come and be part of your future...

If you are a graduate with 2+ years looking for an architectural practice that can provide the right projects and mentor you to get registered We are based in modern workspace on the North Shore but don't let that put you off... it's an easy commute from the city and surrounds!
